A maximum of 15 AIB credits can be transferred to Miami.

BTE courses do not satisfy any Bachelor degree in business course requirements and a maximum of 12 credit hours of BTE may be applied.

*Program and course content are subject to change. This listing was current at the time of its printing and is intended for general informational purposes only. **It should not be relied on to represent your specific requirements.** Generally, you are bound by program requirements that existed at the time you first started at Miami University unless you elect to meet newer requirements. The Degree Audit Report System (DARS) produces an individualized report, which indicates your progress in meeting your specific program requirements. You may obtain a copy from the Records Office or from BannerWeb.*

Please be sure to consult an adviser in the Business Technology Department regularly, and before starting your program.
