

Bachelor of Science in Business Administration

Transfer Student Guide

Students who wish to pursue a Bachelor of Science in Business Administration should make the following selections from the requirements form, please see below, during completion of their associate degree from Miami Middletown and Hamilton.

Graduates with business degrees work at all levels in all types of organizations. Regardless of public or private; for-profit or not-for-profit; large or small; or entrepreneurial, a business degree is the entry level credential. Managers, accountants, marketers, financiers and investors begin learning their skills in our classrooms or online.

Students may apply for admission to IU East at anytime. Typically a transfer student will complete the degree Associate of Applied Business.

Additional Information

The Bachelor of Science in Business Administration requires a minimum of 120 credit hours.
