questions,  
We've got  
answers!!!*

## February 19, 2007

**Suggestion:** *What happened to Bill, the gentleman who used to work in the Harrier's Nest? I'd like to see him come back.*

**Answer:** Thanks for your suggestion. As an organization, we understand that Bill was very popular here with the students at Miami Hamilton. However, at this time, a change in leadership was necessary to improve the quality of food service provided to the MUH community. Please give the new leadership time to adjust, and I'm sure that the quality of our food service can only improve.

**Tyler Bradshaw**  
Vice President, Student Government Association

*For more information on the food service at the Harrier's Nest, check out "The Final Report" from the SGA Schwarm Commons Renovations Committee at [ham.muohio.edu/sga](http://ham.muohio.edu/sga)*

Please continue to submit your suggestions in the SGA Suggestion Boxes located in Schwarm Commons and the Jack Rhodes Study, or submit them on-line at our new and improved On-Line Suggestion Box at [ham.muohio.edu/sga](http://ham.muohio.edu/sga)
