

## **TAH IV ATTENDANCE POLICY**

As many of you are already aware, the state of Ohio is no longer requiring the 5<sup>th</sup> and 8<sup>th</sup> grade Social Studies OAT test. This is problematic for the TAH grant as student achievement, as measured by the OAT was integrated into our success plan. As a result, the remaining metric (attendance at the workshops/summer seminars) becomes increasingly more important. For this reason, it is imperative that you attend all of the workshops (3 days during the year and 5 days each summer) to fulfill both your obligation and our combined obligation for this grant. If for any reason you need to be absent from any of these events, please notify your school coordinator in advance. It is possible that participants may have to be removed from the grant for non-attendance. Thank you for your cooperation.
